

Good afternoon,

Please see this urgent email from Dr. Marc Boom, President and CEO at Houston Methodist, writing on behalf of all Texas Medical Center institutions, regarding urgently needed personal protective equipment.

Many of our member companies utilize this type of equipment on a daily basis, and they are requesting your help to ensure TMC has the supplies they need in the coming weeks.

I urge you to please help as you can.

Regards,

Bob Harvey
President and CEO

Partnership Members,

On behalf of the hospital systems and medical schools of the Texas Medical Center, I am emailing with a request for assistance from the members of the Greater Houston Partnership.

We are especially in need of personal protective equipment that is utilized across the health care, oil and gas, chemical, and industrial painting industries (and likely other industries as well). We can use help from anyone who has access to these supplies, current inventories, etc. Please let us know of your ability to assist and also connect to your key contacts who may be able to assist as well.

Houston Methodist's supply chain VP is working with colleagues across the Texas Medical Center. His name is David Peck (dhpeck@houstonmethodist.org, mobile is (717) 283-5740). You can reach out to him and he will coordinate with the entire TMC supply chain group to support all of our institutions.

Here is a list of items requested ([click here for example photos](#)):

PAPRs:

3M: Versa Flow
3M Breath Easy
Honeywell PA 700
Max Air

Attached you will find the pictures of the PAPRs

Masks:

N95

3M model numbers:

8210

1860

1860S

1870+

Moldex N95 – all sizes

Tyvek suits

Your support is deeply appreciated. The institutions of the Texas Medical Center are working together in superb fashion. Your support will enable our staff to safely care for our community. We are all here for you.

Thank you and stay healthy,

Marc L. Boom, M.D.
President and Chief Executive Officer
Ella Fondren and Josie Roberts Presidential Distinguished Centennial Chair
